Living in your own home as you age or recover from illness is essential. Each person requires a different level and type of support. JASACare creates individualized personal care plans to meet these unique needs.

What is Home Care?

JASACare, JASA's Home Care service provider, goes above and beyond to ensure **expert, individualized in-home assistance for older adults and their families**. JASACare assists individuals dealing with chronic or terminal illness, recovering from an accident or surgery, or those who have a disability that makes basic daily tasks challenging.

JASACare is a New York State Department of Health (NYSDOH) licensed agency **providing home health aide, personal care assistance, and nursing services**. JASACare services are available in Manhattan, Queens, Brooklyn, the Bronx, and Staten Island.

JASACare's certified, experienced, and compassionate team is dedicated to helping older adults. **Our staff speak 10+ languages and have training in specialty areas including geriatrics, Alzheimer's, dementia, stroke, cancer, HIV and AIDS.**

JASACare serves 1,000 clients annually and employs 800 home attendants and home health aides, all certified in accordance with NYSDOH regulations, and thoroughly screened with extensive criminal background checks.

"It's a relief and joy to have someone there to help me get to my appointments, help with errands, make sure I eat, and remind me to take my medications." –Wayne

Vesta x JASACare Home Care

JASACare Home Care clients with Medicare can receive extra healthcare benefits through our partnership with Vesta Healthcare.

Vesta helps you get the most from your home care. They provide support to you, your JASACare Home Care aide, and your other caregivers. **Vesta Healthcare's providers help coordinate your care with your caregivers, doctors, and insurance.** Less stress, more comfort, and 24/7 support from a trusted provider when you need them.

JASACare Home Care and Vesta Healthcare make sure you receive the care you need, when you need it. All this from the comfort of home. Vesta Healthcare works with your insurance and doctors.

How do I pay for Home Care?

Payment options include: private payment, Medicaid Managed Long Term Care Insurance, and Medicaid Human Resources Administration Home Care Program.

JASACare does not accept Medicare, but will work with you to facilitate access to a certified home care agency that can serve your needs.
